

Curricular Code Committee Minutes

06/27/23

Contest:	Ag Mechanics
Chairperson:	Andy Barhydt
Secretary:	Jake Dunn

Call to Order:	12:00 PM
-----------------------	----------

ACTION: Provide a summary of the main discussion points for each agenda item. Include any decisions, resolutions, or actions taken by the group. Attribute statements or decisions to the appropriate individuals or groups

A meeting of the Agricultural Mechanics Curricular Code Committee was called to order by Chairman Andy Barhydt, Grass Valley Bear River . There were four proposals to adjust the current code.

Proposal number 1 by Sam Meredith, Atwater High School was to add a 20 Amp GFCI Duplex Receptacle to the tool & materials.

Emmit Schultz, Golden West Visalia moved to approve the proposal. Kyle Schad, Tulalake seconded the motion. Discussion was minimal and the motion passed by voice vote.

Two proposals died due to lack of a motion.

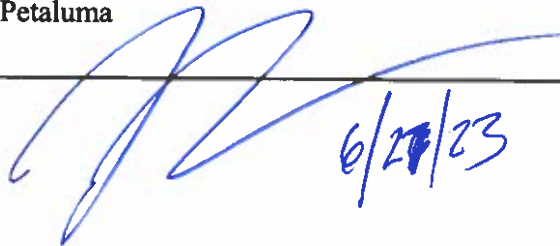

Proposal 4 to change the equation to calculate the top 24 teams by Corey Mesa, Le Grand to $(\text{weighted score} = (\text{teams} - 1) + 1$.

Mike Spiess moved to approve the proposal, Robbie Calvert seconded the motion. Discussion ensued with focus being on the equity of the rankings based on the size of the contests.

Dick Piersma, Hilmar moved to lay the pending motion on the table, seconded by Emmit Shultz, motion passed by voice vote.

It was suggested that the calculations be trialed this upcoming year so that the data could be reviewed and compared.

Respectfully submitted, Jake Dunn, Petaluma
