INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

FEEDING INSTRUCTIONS:

Feed Colossal for overall health and performance. Our team suggests supplementing the first 30 days of receiving livestock and 30 days from your target show. For optimal results, include Colossal as part of your daily feeding program.

Goats & sheep: 0.5 - 2 ounces per day
Swine: 1-4 ounces per day
Cattle: 4-8 ounces per day

Always supply a source of fresh, clean water.

WARNING:

This product has been formulated specifically for sheep, goats, swine, and cattle and is not intended for other species.

PROFILE:

Colossal is a premium livestock supplement formulated to optimize health, performance, and appearance from day one to the show ring. Powered by advanced nutrition and enhanced with prebiotics, probiotics, and essential nutrients, it supports gut health, boosts immunity, and maintains overall health and vitality. Colossal amplifies the effectiveness of other nutritional supplements while promoting bulk and enhancing hair and hoof quality. Designed for multi-species use, it stabilizes appetite during stress and ensures resiliency throughout show season. Whether used in feed or water, this small solution delivers colossal results, keeping your animals at their best and ready to stand out when it matters most.

Available in a 3.5 lb. Pail #81264
