[Oasis Camel Dairy](#)

Gil and Nancy Reigler are animal trainers whose resumes include appearances with animals on the Tonight Show, in Hollywood movies, and shows at the World Famous San Diego Zoo and Safari Park. Their knowledge led them to building a herd of camels. When Covid shut down many of the fairs and exhibitions which were a main source of income, their focus turned to the Camel Dairy Industry and private ranch tours. Join them for an hour-long tour of the Oasis Camel Dairy, centered in the hills of San Diego County, to learn about regulations, safe animal handling, Agritourism, and much more. There may even be the opportunity to get up close and personal with some of their camels, including the opportunity to feed them! For a sneak peak of what's to come, check out the Camel Dairy episode of Dirty Jobs with Mike Rowe!
